Blalock Tire & Appliance Company

Last week it was building at the corner of Martin and Rutherford Streets, after about Blalock Tire and Preston Burns had moved the Appliance Company, featuring Wadesboro Auto store out and one of many Christmas and into their new building on other seasonal windows I did for Highway 74.

The above picture was shaded with a metal awning, therefore you can see only the bottom half of the windows. They were painted with large ornaments - each having dryers, refrigerators, electric mixers, hair dryers, compactors, dolls, games - gift selections for all ages. General Electric major appliances and Goodyear tires "finished off" the front. I did this window on December 3, 1973, for David, who is now deceased.

Free Groceries Available to Eligible Families Saturday

Free USDA foods will be distributed this Saturday, January 13, from 9 a.m. to 12 noon at Burnsville Recreation & Learning Center (BRLC). Please note that neighbors will only be served once monthly with these items as long as they last.

The North Carolina Department of Agriculture and Consumer Services Food Distribution Division provide these food items through the Second Harvest Food Bank of Metrolina in Charlotte.

The US federal income guidelines will be a determining factor for individual's eligibility. The food items will only be available to Ansonians. Individuals who have not registered or received food before from the BRLC Emergency food Pantry must have financial documentation as proof of income to be served. Those families that receive food stamp assistance will automatically qualify. Parents are asked not to bring children due to limited seating space. Neighbors are asked to please park in parking lot behind center.

The USDA prohibits discrimination against its customers, employees and applicants on the bases of race, color, national origin, age, disability, sex gender identity, religion, reprisal, and where applicable, political belief, marital status, familial or parental status, sexual orientation, or if all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. Not all prohibited bases will apply to all program and activities.

You can contact BRLC at 704-826-8182 for information. BRLC is located at 13349 Highway 742 North in Burnsville, across from the Fire Department.
