Anson Women's League Thanks Participants

On behalf of Anson Women's League, we would like to express our appreciation to everyone who participated in the annual soup luncheon held Tuesday, February 13.

To each member who sold tickets and worked diligently on Monday and Tuesday to prepare, decorate, and provide a delicious lunch for approximately 400 dine-in and take-out guests, we appreciate your hard work. The homemade desserts provided a special ending to a delicious meal of soup and toasted cheese sandwich. First Baptist Church once again generously shared their kitchen and fellowship hall so that members and volunteers could work together and then assist guests as they served plates and beverages. Guests had an enjoyable meal in a lovely space decorated by Caroline Goins and Libby Moore in a Valentine's Day theme.

Wyatt Peters and Jack Ratliff did most of the outdoor cooking, with assistance from student volunteers from Anson Early College. Other student and adult volunteers assisted, including additional Anson Early College students who worked in the kitchen and dining room, ensuring that everyone had generous portions of food and beverages accessible. We could not have accomplished serving everyone without the student and adult volunteers.

Elizabeth Kersey (left) and Arvonias Edwards

Ambassador Health as well as Anson Health and Rehab made a considerable donation of cooked beef that was used in the delicious vegetable beef soup, which greatly reduced the cost of supplies. Their generosity made a tremendous difference in the total amount of money that was

raised for the scholarship fundraiser of Anson Women's League. These scholarships are for young women high school seniors who plan to attend college. These scholarships will be available soon at your school's guidance counselor's office. If your student does not attend a public school or is unable to obtain an application, please notify Bonnie Morgan at 704-695-5373, and she will refer your information to the scholarship committee who will either mail or deliver an application to you. To all guests who attended we express our heartfelt thanks for your support which enables us to provide several scholarships to young women as they begin to search for scholarships to assist with funding for their life of study.

Our goal is to ensure that young women who want to attend college will be able to find scholarships and other funding to help eliminate student loans. We hope that this scholarship will lower the amount of debt that the student has to finance as they work their way through college.

Thank you to everyone who supported this effort by getting bulk orders for businesses, schools, etc. We hope to see you again on February 12, 2019.

Bonnie R. Morgan, President, Anson Women's League
