

Anson County High Schools Join for District Wide Prom on March 11

"Enchanted Gardens" Keeping with the theme - We Are One!

After much review and deliberation, Anson County School Superintendent Michael Freeman and his team decided to have one district wide 2017 prom, keeping with the theme "We Are One" in Anson. ACS high school students have been sharing bus routes, athletic teams, some academic courses and clubs, and most importantly, lifelong friendships. On Saturday, March 11 all ACS high school students attended the same prom.

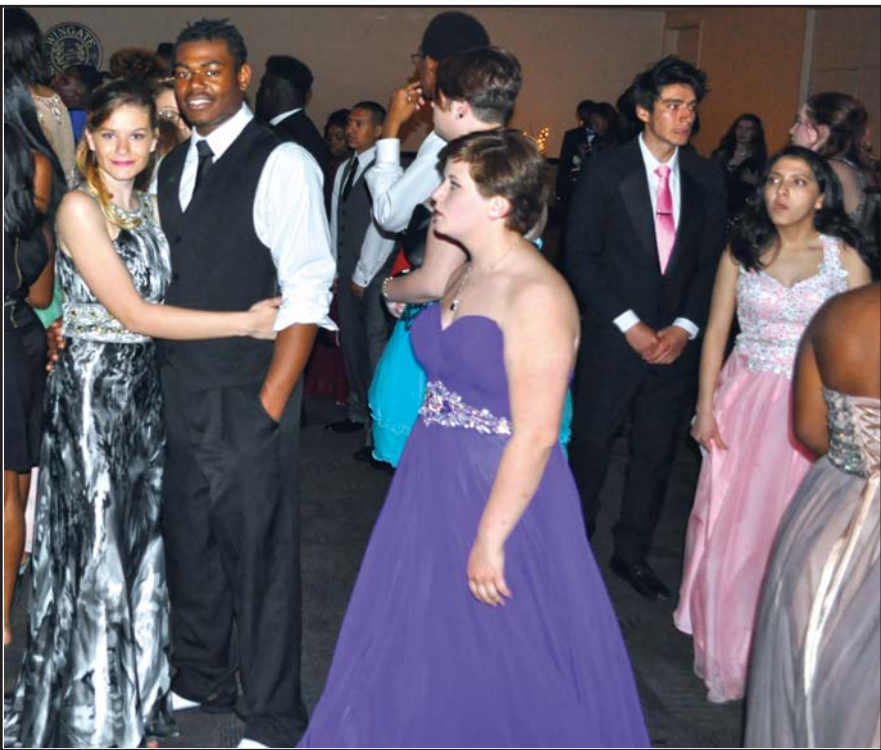

Using the theme "Enchanted Gardens" our students dressed in formal attire. All eyes were on the students as they arrived to the formal LaVerne Banquet Hall, located on the beautiful campus of Wingate University. Parents and friends beamed as many pictures were made on campus to ensure that each student would have a photograph to add to their collection of high school memories.

Prom in Anson County has always been and will continue to be an exciting formal affair for our students. Superintendent Freeman appreciates each staff member who contributed to the success of the ACS 2017 Prom. Freeman reported that Prom Committee Lead Mrs. Nicole D. Sikes did a fabulous job of pulling everyone together for the common goal of doing something great for our students.

Listed below are several quotes from ACS students and staff members:
