

Veteran Services Office Offers Help with Benefits and Eligibility

The Anson County Veteran Services office is available to all veterans. They offer information about the many services and benefits for veterans, will help determine eligibility and even help fill out the paperwork involved to receive benefits.

If you are a veteran of the United States Military and do not know your status of eligibility in regards to medical benefits, home loans, burial benefits or other services, then you need to talk with a Veteran Services Officer. In Anson County the office is located at 111 North Greene Street (the former Belk building). The telephone number is 704-694-4418 or you can email Ted Ward at tward@co.anson.nc.us.

Here is a partial list of services available to veterans:

- Compensation - The VA compensation program provides monthly benefits if you are disabled because of an injury or disease incurred in or aggravated during your military service.
- Pension - You can receive a monthly pension if you are a wartime veteran with limited income, and you are permanently and totally disabled, or at least 65 years old.
- Healthcare Benefits - Operation Iraqi Freedom and Operation Enduring Freedom veterans are eligible for five years of free medical care from their last date of discharge from active duty. This benefit covers illnesses and injuries, except those clearly unrelated to active military services. All veterans, young and old, should be enrolled in the VA healthcare system. Once enrolled, most veterans will remain enrolled without further action on their part. However, certain veterans are required to provide income information to determine their priority level.
- Burial Benefits - At the time of death, every veteran with an honorable discharge deserves the respect and honor of a military funeral. Burial benefits include a gravesite in any VA national or state cemetery with available space, the opening and closing of the grave, a government headstone or marker, a burial flag, and a Presidential Memorial Certificate. The Veterans Benefit Administration pays a burial and plot allowance to those veterans eligible by law. The next of kin or funeral director must provide the cemetery staff with a copy of the veteran's properly signed DD214 form or discharge papers.
- Education and Training - The main requirement for education benefits is discharge from active duty service under honorable conditions.
- Home Loan Guarantee - The VA housing loan program is available to service members, veterans, re-servists, and unmarried surviving spouses for the purchase of primary homes, condominiums, manufactured homes or for refinancing loans.
- Other Benefits - Other benefits include dependent pensions, vocational rehabilitation, job assistance and NC benefits, such as children's scholarships, license plates, high school diplomas, hunting and fishing licenses for disabled veterans, and property tax relief.
