## Mrs. Alice Elizabeth Broadaway Baucom

Mrs. Alice Elizabeth Broadaway Baucom, 91, went home to be with her Savior on Saturday, April 3, 2021.

Services will be held at 11:00 a.m. on Wednesday, April 7, 2021, by the graveside in Rocky Mount Baptist Church Cemetery with Rev. Billy Hill officiating.

The family will greet friends following the service at the cemetery.

Alice was born October 22, 1929, in Anson County, and was the fourth born child of the late Early Ray Broadaway and the late Ressie Adeline Parker Broadaway. She was a graduate of Burnsville High School and was retired from B.C. Moore and Son's Department Stores Administrative office.

A woman of great faith and trust in God, she was a faithful member of Rocky Mount Baptist Church, where she played the piano and organ most of her life.

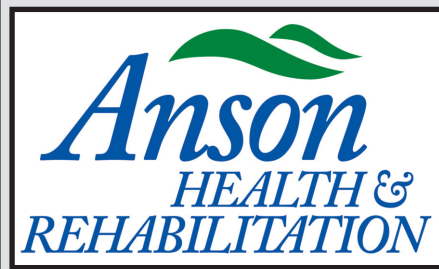

She was a faithful and devoted wife of 41 years to her husband Roy Alvin Baucom who passed away September 3, 1990. She loved her family and friends and enjoyed working in her yard growing flowers and mowing her yard.

She is survived by her sisters and brother, Nell Kendall of Norwood, Ruby Pope (William) of Wadesboro, Lamar Broadaway (Janice) of Stanfield and Nancy Huneycutt (Roy) of Locust; her brother-in-law Rodgers Baucom (Frances) of Wadesboro; a very special niece, Trudy Turner (Tommy) of Polkton; and a large number of nieces and nephews and their families from both the Broadaway and Baucom families.

In addition to her parents and husband, she was preceded in death by her sister and brothers, Polly Broadaway Baucom Efird, Harvey, Bynum, Dwight and Ross Broadaway.

In lieu of flowers, memorials may be made to Rocky Mount Baptist Church, 4178 Rocky Mt. Church Rd., Polkton, NC 28170.

The arrangements are in care of Leavitt Funeral Home and online condolences may be made at [www.leavittfh.com](http://www.leavittfh.com).

## Sandhills Center Family Support Program Events for April

- April 13: Teen Drug Trends webinar presented by Sha-Ronda McNeill will be held virtually from 1:00-2:30 p.m. Please contact Brenda Goss via email at [randmontadvfsp@gmail.com](mailto:randmontadvfsp@gmail.com) or toll free at 877-211-7252 to register. Deadline to register is Friday, April 9, 2021 by 4:00 p.m.
- April 14: Foster Parents and Caregivers Support Group will be held from 7-8 pm via WebEx. Contact Suzanne Maness at (910) 627-1769, toll free (877) 211-5995 or by email at [connectionsfsp@gmail.com](mailto:connectionsfsp@gmail.com) for more information and to register. Registration deadline is April 12, 2021.
- April 15: Autism 101: Facts, Families and Finding Help is a virtual training that will provide information on facts and myths about autism spectrum disorder, the impact of autism on the family and supportive services for the autism community. This training is scheduled for Thursday, April 15 from 10:00 am - 11:30 am. To register for this meeting, contact LaMonica Mitchell at 1-877-425-4030 or email at [guilfordfspadvocate@gmail.com](mailto:guilfordfspadvocate@gmail.com). Deadline to register is April 12 by 5 pm.
- April 15: Suicide Loss Grief webinar will be held from 1:00-2:00 pm via WebEx. Tamara Hardee, Author and Advocate for Suicide Prevention and Domestic Violence will be the presenter. Contact Suzanne Maness at (910) 627-1769, toll free (877) 211-5995 or by email at [connectionsfsp@gmail.com](mailto:connectionsfsp@gmail.com) for more information and to register. Registration deadline is April 12, 2021.
- April 21: Community Resiliency Model training will be held virtually from 10:00 am -12:00 noon on Wednesday, April 21st. The Community Resiliency Model (CRM) trains community members to not only help themselves but to help others within their wider social network. The primary focus of this skills-based, stabilization program is to re-set the natural balance of the nervous system. CRM's goal is to help to create "trauma-informed" and "resiliency-focused" communities that share a common understanding of the impact of trauma and chronic stress on the nervous system and how resiliency can be restored or increased using this skills-based approach. To register, contact Adrian Standish at [leeharnettfsp@yahoo.com](mailto:leeharnettfsp@yahoo.com) or 877-776-6702. Upon registration, you will be sent the link to the webinar.
- April 22: Coping with Grief and Loss webinar will be held from 1:00-2:00 pm via WebEx. Ken Stewart, LCSW, with FirstHealth Hospice & Palliative Care and Grief Resource & Counseling Center will be the presenter. Contact Shirlyn Morrison-Sims toll free at 1-877-776-6599, or by email at [search.family.support.program@gmail.com](mailto:search.family.support.program@gmail.com) to register. Upon registration, you will be sent the link to the webinar.

## A Clean Kitchen is a Healthy Kitchen

During this pandemic, many have found themselves spending a significant amount of time at home cooking. The CDC has specific information on how to clean and disinfect for COVID-19. If you are not dealing with COVID-19 disinfection and cleaning needs at your home, there are still items you can address to keep your kitchen healthy. Making a habit out of regular cleaning makes chores easier.

### Here is a list of cleaning suggestions for your kitchen:

- **Daily:** Wash dishes, wipe kitchen work surfaces (countertops, cooktops, sinks), sweep floor, empty trash
- **Weekly:** Check refrigerator and discard spoiled food, mop floor, scrub kitchen sink, disinfect kitchen cleaning sponges, wash and rinse kitchen trash can
- **At least every 3-6 months:** Wash kitchen cabinetry, thoroughly clean refrigerator and microwave
- **Yearly or as needed:** Clean out and wash cupboards, wash walls and woodwork, wash curtains/window covering, clean oven, wash light fixtures.

# Town of Polkton

To all residents and Occupants of the Town of Polkton:

The Town of Polkton Utilities department will be conducting smoke testing of the sanitary sewer system in the upcoming weeks. This testing will begin April 12, 2021 through April 16, 2021. This study will involve the opening and entering of manholes in the streets and public utility easements. An important task of the testing will be to locate breaks and defects in the sewer system. The smoke will also reveal sources of where storm and other surface water enter the sewer system.

**A special non-toxic smoke will be used in these tests. The smoke is manufactured for this purpose, leaves no residuals or stains, and has no effect on human, plant or animal life. The smoke has a distinctive, but not unpleasant, odor. Visibility and odor last only a few minutes, where there is adequate ventilation.**

Because the plumbing appliances in your house or building are connected to the sanitary sewer system, some smoke may enter your home or place of business if the:

- Vents connected to your building's sewer pipes are inadequate, defective, or improperly installed.
- Traps under sinks, tubs, basins, showers and other drains are dry, defective, improperly installed, or missing.
- Pipes, connections and seals of the wastewater drain system in and under your buildings are damaged, defective, have plugs missing, or are improperly installed.

All residents are advised that if traces of this smoke or its odor enter your house or building, it is an indication that gases and odors from the sewer also may enter. These sewer gases and odors can be both unpleasant and dangerous, as well as a health risk to the occupants. **Should smoke enter your home or business, you may contact Polkton Town Hall at 704-272-7463 option 2. The clerk Jerricka Napier will contact a member of the smoke testing crew and someone be able to help and check with you as to where the smoke has entered your home or place of business.** Location, identification, and correction of the source of smoke that enters your building is urgently advised. Your cooperation will be appreciated. The information gained from this testing will be used to improve your sewer services.

Should you have any questions on this matter, please contact Jerricka Napier, at 704-272-7463 option 2.

Thank you,  
Town of Polkton Utilities Department
