Elect Sgt. Ricky Little
Sheriff of Anson County 2014
 Leadership • Experience • Integrity

I am not coming to you just as a fellow citizen but, as Sgt. Richard Little of the Anson County Sheriff's Department.

I have been a resident of Anson County all of my life: I was raised here, educated here, worked here, met my wife here, and I am currently rearing my children here. During my years in law enforcement I have become very familiar with the different families, communities and neighborhoods that make up this county.

During the last 17 years, and working under the guidance of our current Sheriff Tommy Allen, I have studied what it takes to be a first-class sheriff. I have taken my learnings and applied them to my role as Chief of Police in the Town of Morven, where I have been employed for 19 years. I am dedicated to continuing the fight against drugs, domestic violence and protecting the overall safety of the great residents of Anson County. Protection and consideration will be available to ALL citizens of Anson County. My goal is to have the right people doing the right jobs so our office can be effective. I will have in office the most qualified and trained officers to pursue their roles as Sheriff Deputies. I will not be just a sheriff in office. I will be visible in the communities so everyone will know we are working hard to serve and create a safe and orderly environment for ALL people over Anson County.

I would like to ask all of you that you take some time and consider what it is you want in your next Sheriff. Do you want someone with not enough experience? Do you want someone who doesn't have the pride of being an Ansonian because they have not seen 40 plus years of the peoples' struggles, our accomplishments, nor advances? Or do you want a person who has not only seen these things, but has been a part of our county's progress, and worked toward the betterment of our county?

WE as a people and as a collective unit have to come to a place of common core goals for Anson County. I believe that I am the person to not only lead, but to walk in conjunction with Anson County citizens to continue on OUR road of progression. So, I am asking that you put politics aside and your safety first.

Support me - Ricky Little in the upcoming 2014 Sheriff's Election.
