To the citizens of Anson County and the surrounding area, please accept our sincere apology for the incident that happened at our establishment, Mr. D's Bar & Grill, on March 16, 2018. Unfortunately this happened under circumstances that were out of our control. We deeply value the relationship of our customers because our customers deserve the very best. We aim for customer satisfaction, and to have an establishment where customers can come and enjoy.

At Mr. D's our customer's satisfaction is something we take seriously. We would not compromise our relationship with any of them.

There are times when bad situations, unfortunately, happen to good people. We have always tried to go the extra mile in making our customers safe and satisfied. We assure you that in the future there will be preventive measures for our customers and for their concerns and safety. We value the relationship with our customers to the highest degree. We have a heavy heart for what the community has gone through recently. We want the community to know that we are sorry for the unintentional situation that affected us all. We are expressing our deepest apologies for the misconduct of others.

Mr. D's is reopening this Thursday with a new name, Mr. D's Grill. The restaurant will serve a variety of delicious food, including ice cream, chicken wings, salads and lots more. We will also offer car washing. Mr. D's will again be catering to the citizens of Anson and surrounding areas. No alcohol will be served or allowed on the premises.

We are here to be a blessing upon our community, as always. We want nothing but blessings upon you, our customer, and our county. We value your business and want to retain you as a satisfied customer.
