

Carolinas HealthCare System-Union Cardiovascular Center Celebrates PCI Program's Successful First Year

On Monday, April 13 the team at Sanger Heart & Vascular Institute's Cardiovascular Center at Carolinas HealthCare System (PCI) celebrated the one year anniversary and successful first year of their percutaneous coronary intervention (PCI) program.

Commonly known as angioplasty, the program provides urgent and elective PCI services to diagnose and repair blocked arteries in the heart. The program launched last April and Carolinas HealthCare System Union is the only facility in Union County to offer such services.

To learn more about the Cardiovascular Center at Carolinas HealthCare System Union, visit CarolinasHealthCare.org/CMC-Union-Cardiovascular-Center.

Carolinas HealthCare System (carolinashealthcare.org), one of the nation's leading and most innovative healthcare organizations, provides a full spectrum of healthcare and wellness programs throughout North and South Carolina. Its diverse network of care locations includes academic medical centers, hospitals, freestanding emergency departments, physician practices, surgical and rehabilitation centers, home health agencies, nursing homes and behavioral health centers, as well as hospice and palliative care services. Carolinas HealthCare System works to enhance the overall health and wellbeing of its communities through high quality patient care, education and research programs, and numerous collaborative partnerships and initiatives.
