

## Wadesboro Primary School Students Learn the Importance of Tooth Care

On Monday, April 20 Dr. Cash from Supreme Dental came to Wadesboro Primary School to give a program to the first grade. Dr. Cash and her two dental assistants told students a story about the "Toothies" and how one drank soda and woke up with cavities! Dr. Cash stressed the importance of brushing your teeth two times a day and to sing a song while brushing. The song is "1, 2, Buckle My Shoe..." Everyone should sing this song two times to ensure they have brushed their teeth the right amount of time.

Students were giving a picture of "Toothie" and a gift bag containing a brand new toothbrush and toothpaste. Students had the opportunity to ask questions and share with the rest of the students something that they learned from Dr. Cash. Dr. Cash's dental assistants took around a model of teeth for students to look at.

Dr. Cash also brought along a giant tooth and toothbrush to model how to brush your teeth while singing the song.
