Rotary Experiencing A Great Year

The Wadesboro Rotary Club has experienced a great year supporting and strengthening its local community. Rotary, whose motto is "Service Above Self," has contributed over \$40,000 to the local community and Rotary International. These funds have gone to local student scholarships, teacher recognition awards, and contributions to 15 community charities and groups. This money was raised through two successful large fundraising events, individual member contributions, and through the generous support of the Wadesboro community.

Perhaps the most interesting Rotary raised money was for the \$3,300 that Rotary President Wesley Horne raised by climbing Mt. Kilimanjaro. Horne said, "It was a life changing experience, and in the process was able to raise money for Rotary's flagship goal - the eradication of Polio. Most of the donations came from local individuals and businesses, which demonstrates the compassion and the commitment to a better world by the people of Anson County."

The Wadesboro Rotary Club also had another fun social year through a number of events such as the annual Christmas party. Rotary also celebrated the 100th birthday of Preston Burns. Burns has been a Rotarian for over 75 years. Rotary also increased its net membership by two people this year with three more people very likely to join. All are welcome to experience a Rotary meeting at noon every Thursday at Welika Lake in Lilesville.
