Anson Middle School Joy Club

Marci Sessions of Anson Middle School submitted this report: Anson Middle School's Joy Club has been reaching out all over the community. We love God, and strive to tell others more about Him. Collecting canned goods and coats are just two of the things we have done. Our officers for the Joy Club are McKayla High, President; Grant Harward, Vice President; and Noah Hatley, Treasurer. Selene L. Hardison and Ruth Brotherhood are our leaders. We have between twenty and thirty students each Wednesday morning. We begin with prayer requests, praise reports and prayer. Then we discuss important things going on. Next we have devotion, and close in prayer. After closing it is normally time for school to start. We are currently taking new or used cards to be recycled by children at the St. Judes Ranch. These cards are sold by the children, and can be cards of any occasion. The Joy Club has collected food for a needy family and coats for the Crisis Ministry. That is what the Anson Middle School Joy Club is all about. We hope to make an impact on other people's lives. We love God and want to tell others about Him.

A. O. Smith Corp. - "Thinking Safety!"

Was looking through some of my picture collection, thinking of the many "things" that I have had the pleasure of writing about - "things that make a difference" - and came up with this picture of sign jobs for A. O. Smith Corp. back during the 1980's. Above is a picture of A. O. Smith Corp. signs that encourage and promote safety, one of many that I have done through the years...many that really did "get your attention!" These safety panels were placed at the plant entrance as a safety reminder upon entering - each one staying for a period of time, then moved to the inside of the plant. Then a new one would be placed at the entrance for the next period. This A. O. Smith plant at McBee, SC was a very progressive plant - serving the world with a quality product!! "Safety knows no quitting time!" Thanks for your reading and caring!

Speakers at Burnsville R&L Center

Mrs. Elizabeth Kesery of the Polkton-White Store Road Community visited the Burnsville Recreation and Learning Center in April. She came especially to share good news with the volunteers. Elizabeth encouraged each volunteer to do their best in the area where they volunteer. It was brought to the volunteers' attention just how important their services are to others. The BRLC volunteers were told never take their volunteer service for granted. Mrs. Kathy Thomas from the Department of Social Services was the guest speaker for the BRLC Volunteers on Monday, May 16. Mrs. Thomas helps those in Anson County who are being affected with different forms of blindness. Jeremy Sikes facilitated the volunteer's meeting. Louise and Mary Burns and Rosa Brewer provided the dinner for the group.
