**Anson Machine Shop**

This one has been in business several years - in fact, Benny Ray Galliher began his machine shop business in 1974. It was then located in the old Pee Dee Bottling plant at the train depot. In 1978 Benny Ray moved into his new place on US Highway 74 West.

I did this sign, which is presently on his building, on April 6, 1983.

Anson Machine Shop has done all types of steel construction - from the manufacturing of log trailers, repairing heavy farm machinery and forestry equipment - to designing, welding, rebuilding various types of heavy equipment...and the list goes on.

Lynn Caudle works with Benny Ray now. Benny Ray and wife Gilda live here in Wadesboro.
