

### Clinton and Jewel Harward Celebrate 50 Years Together

Clinton and Jewel Harward celebrated their fiftieth wedding anniversary on May 21. The event was held at Hopewell United Methodist Church Fellowship Hall. The decorations were the traditional gold theme, featuring yellow roses and white magnolia blossoms with various greenery. White linen cloths, metallic gold candles and gold trimmed lace table runners graced each dining table. The anniversary cake was flanked with a white lattice screen intertwined with ivy. On both sides of the screen there were lighted ficus trees that enhanced the anniversary cake. The cake also had yellow roses and ivy, along with a large gold "fifty" on top. The couple's wedding clothes were also on display

as they wore them 50 years ago. The occasion was hosted by family, friends and children, Cathy H. Treadaway, Stanley and Stephanie Harward, and grandchildren, J. F., Ashton and Grant Harward. Over ninety guests were greeted by Ken and Patsy Johnson and directed to the receiving line, after which they were invited to a delicious buffet. Gay Bowers distributed book markers that commemorated the occasion.

Clinton and Jewel were married on May 21, 1961, at Hopewell United Methodist Church immediately following that day's worship service. They exchanged vows at high noon before the Rev. John Oakley.

Clinton's parents were the late Mr. and Mrs. Robert R. Harward of the Hopewell Community. Jewel's parents were the late Mr. and Mrs. Grant Sikes of Peachland.

### Hospital Honors Hatcher for Forty Years of Service

Allyne Hatcher, Registered Nurse at Anson Community Hospital, was honored by the ACH Community Trustee Council and ACH President, Fred Thompson for 40 years of service to the hospital and the community during the hospital's Employee Service Awards Banquet held May 20th at Twin Valley Country Club.

Hatcher began her career with Anson Community Hospital in 1971 as a nursing assistant. Throughout her extensive career, she has worked in every nursing area of the hospital including labor and delivery, nursing, OR Medical, ER, and Post-Partum. She currently works as a Registered Nurse on the Med/Surg floor.

As Hatcher's career progressed, so did her quest for knowledge. She earned a Bachelor's Degree in Nursing in 1981 from UNC Greensboro and a Master's Degree in Education from NC A & T State University in 1985. "She is a successful woman who has touched many lives, and has accomplished much through purposeful, worthwhile, meaningful work in Anson County," expressed

Paula Stegall, Director of Nursing Services. Additionally, the Community Trustee Council honored the commitment and dedication of 39 other employees who have reached significant chronological milestones in their employment at Anson Community Hospital. "Our employees are our greatest asset," said ACH President Fred Thompson. "I think it speaks volumes about our organization that these employees have chosen to be a part of the ACH team and to serve the residents of Anson County for so many years."

"We are fortunate to have so many dedicated employees," said Herman Little, ACH Community Trustee Council Chair. "We are proud of their contributions and grateful for their dedication."
