## NC Forest Service is Offering Tree Seedlings for Sale

The North Carolina Forest Service is now accepting orders in its annual tree seedling sale. With an average annual production of 15 million seedlings, the Nursery and Tree Improvement Program produces enough native and genetically improved tree seedlings to plant around 30,000 acres of land each year.

"Healthy trees and forests are as important as ever for North Carolina and a benefit to our environment," said Agriculture Commissioner Steve Troxler. "To have a Nursery and Tree Improvement Program producing quality understory plants and nearly 50 native tree species available to landowners across the state is North

Carolina's good fortune, and I encourage landowners to take advantage of it."

Conifers and hardwoods are sold in units as low as 10 and as high as 100. For those wishing to submit larger orders, the nursery sells tree seedlings by the hundreds and thousands. Momi fir, Eastern red cedar and Virginia pine are available

this year. Genetically improved stock is available in loblolly, longleaf, shortleaf and white pines as well as other species. These seedlings offer better volume growth, form, disease resistance, straightness, and other characteristics needed to produce quality forest products. See the N.C. Forest Service catalog for a complete species listing.

### How can you order tree seedlings from the NCFS Nursery and Tree Improvement Program?

- Tree seedlings can be ordered from the online seedling store at [www.buynctrees.com](http://www.buynctrees.com).
- Tree seedlings can also be ordered by phone at 1-888-NCTREES (1-888-628-7337).
- Tree seedlings can be ordered using the order form found in our current catalog. Complete the form and mail to Seedling Coordinator, 762 Claridge Nursery Road, Goldsboro, NC 27530.

A user-friendly catalog is available at the "Tree Seedlings & Nursery Program" link located at [www.ncforestservice.gov](http://www.ncforestservice.gov). Catalogs will also be available at local NCFS offices beginning in July. Inside the catalog, landowners can find information about the types of tree species, quantities and cost to order. Each description includes information about ideal planting locations and whether a species is typically used to benefit wildlife, restore habitats or as marketable timber.

Accepted methods of payment are check, money order, Mastercard and Visa. Distribution of tree seedlings will occur December through mid-April, depending on weather conditions. Seedling orders can be shipped to one of 13 distribution centers statewide for a small fee or via UPS for a charge. Seedling orders are also available for pickup from the NCFS Claridge Nursery in Goldsboro or the Linville River Nursery near Crossnore.

For information on planting trees, people are encouraged to contact an NCFS county ranger. Contact information for your local NCFS county office and nursery locations is available at [www.ncforestservice.gov/contacts](http://www.ncforestservice.gov/contacts).

## Fundraiser Ride for VFW is July 30

Calling all bikers, trikers, jeep, slingshot and spyder riders, VFW Post 10403 in Wadesboro is sponsoring a fundraiser ride on Saturday, July 30. Everyone is invited for food, fun and prizes!

## WADESBORO POLICE DISPATCH CONSOLIDATION

Wadesboro Police Department for many years has utilized their own dispatch center to handle Police dispatching. Effective July 1, 2022, Anson County Communications (Anson 911) will assume those responsibilities to better facilitate the most up to date communications possible. Through this partnership Wadesboro will utilize the most state-of-the-art radio equipment, which increases officer safety through better lines of communication with an Emergency Dispatch Center.

Anson County is very fortunate to have one of the most technologically advanced Emergency Dispatch Centers in the State. When it was built, one of the purposes was to centralize all communications in the county. The last leg of the technology needed for this, a modernized radio system, went live June 1, 2022, and allows the Emergency Telecommunicator to track radio traffic much more efficiently. This serves to improve the safety of police officers, EMS personnel, and fire personnel in Anson County.

What does this mean for the citizens of Wadesboro? Effective immediately, the 704-694-2167 traditionally used by citizens to call police dispatch will no longer connect you to the Wadesboro Dispatch Center; an automated service will answer the 704-694-2167 number and redirect you to the destination you choose. As always, if you have an emergency and immediate assistance is needed, please call 911.

Officer safety is paramount in the decision to make this change. We look forward to continuing to meet the needs of our citizens as this change takes place. **Once again, for ANY emergency response needed, call 911.** The numbers below listed for Town functions are strictly non-emergency purposes.

### Please record these numbers for your use:

- Wadesboro Town Hall.....704-694-5171
- Wadesboro Police Department.....704-694-2167
- Wadesboro Fire Department.....704- 694-1014
- Anson County Communications.....911
