Anson County Sports Center First Annual Horse Race

This was some undertaking back in 1947, when a group of twelve Wadesboro men formed this association to "provide clean and wholesome recreation" for the area. Located five miles out Highway 742 South, this was an area that at the time had various recreational activities there.

During some of the years there was, besides horse racing, auto racing there, and - the first for our area - a Ford Tri-Motor airplane landed promoting postal Air Mail services. This plane was on display with personnel explaining this new, fast mail service! The cost of an Air Mail stamp was 5¢. (And a "brand new" car was less than \$2,000, a Coke had gone up to 6¢ with a 10¢ hamburger!!)

The program of this race listed sponsors, horses/owners, and other information. There was a total of sixty sponsors. I can remember only four that are here in business today - and most all were from around town. See how many you remember:

- D.B. Goodman Co., J. Paul Teal & Son, Wadesboro Auto Supply, Dixie Home Supermarket, Sally's, Q & Q Store, Fox & Lyon Drugs, Chewning Motor Co., Wadesboro Electric
