**District Graduation Was Held on May 29**

On May 29, 2024, the Anson County Board of Education proudly awarded diplomas to the students of the Anson County Schools Class of 2024. In addition, many students were recognized who earned Associate Degrees and special credentials from South Piedmont Community College, celebrating their remarkable achievements.

A highlight of the event was honoring students for their exceptional academic accomplishments. These photos showcase the Honor Graduates and Junior Marshals from Anson County Schools.

We continue to take great pride in sending forth a new graduating class equipped to become productive citizens, ready to excel in higher education, the workforce, further employment credentials, or military service.

Congratulations to all the students, parents, families, and community members - your support is reflected in our students' success.
