

Learning Corners at Wadesboro Primary School

The instructional leadership team at Wadesboro Primary has worked diligently to update the instructional delivery options in the classrooms by adding new Learning Corners.

Each classroom at WPS has been outfitted with a new learning corner that will provide a space for reading and math instruction, including flexible seating options, as well as a space for students to find reading materials that may interest them.

We hope to see an increased confidence level in our students with reading as well as an even more positive learning community through the use of our new learning opportunities.

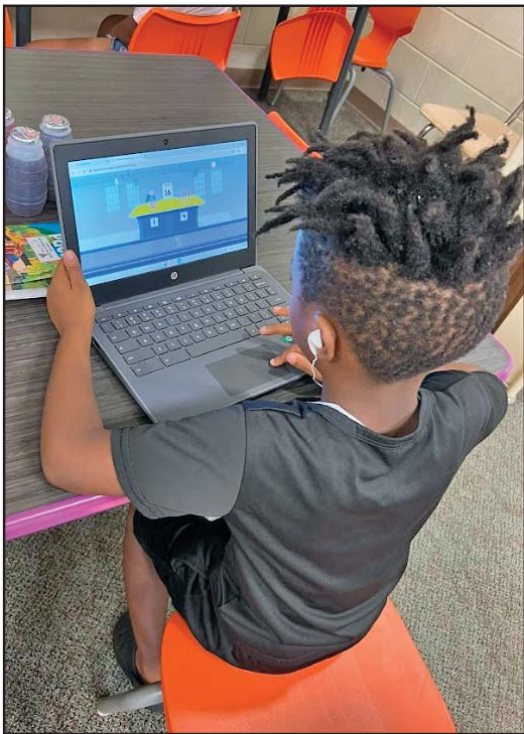

Reading Camp and Summer Learning at Wadesboro Primary School

Wadesboro Primary School finished up with an amazing summer reading camp!! Students and teachers from grades Kindergarten through Third Grade came together to have fun while learning!

Wadesboro Primary was fortunate to offer summer learning opportunities for students in all grades to provide additional reading and math support as well as challenging enrichment activities. Students were rewarded each week for their hard work and dedication to learning.

The library was also opened in July and families came by to work on their summer learning packets and Reflex.

Have a great summer and we will see you on August 26th.

AES Students Have The P.O.W.E.R.

Ansonville Elementary students had a blast at our 4th Quarter PBIS Incentive at the end of the school year called "The Last Splash." Students qualified to participate by showing P.O.W.E.R. (Preparation, Organization, Working hard, Engagement and Responsibility) and having no office or bus referrals.

We appreciate Ansonville Fire Department's support in helping celebrate our students' accomplishments!

AES Summer Reading Camp

Ansonville Elementary School's summer reading camp provided students with enrichment opportunities to enhance their growth and overall learning this summer. Guests were invited from our school district and within the community to help foster and enhance their love of reading. Students also made thank you notes for the readers to show their appreciation for sharing their time with them.

Superintendent Brian Ratliff is pictured below with the students, who were thrilled to meet him and enjoy a story read by their new superintendent.

MILITARY & FIRST RESPONDERS APPRECIATION NIGHT

★ GOLD STAR ★ FOOTBALL GAME

The Anson County School District is proud and honored to recognize our military and first responders during the Friday, September 13 Varsity Football Game! This is also our Gold Star Football Game where we honor and remember local military heroes and their families. FREE Admission into the game for all military service members, veterans and first responders with ID. Please enter at the handicap accessible gate located directly behind the baseball center field. Individual recognition will be given during the game.
