

Freshman Orientation at ACEC

Anson County Early College hosted freshman orientation on Monday, August 8, 2022. Rising ninth graders participated in a series of sessions hosted by ACEC staff and current students.

Students went on a campus tour where they also participated in a scavenger hunt. Eighteen students received ACEC gear for winning the scavenger hunt!

In another session, students participated in team building activities where they had a lot of fun playing games and getting to know each other as well as members of the ACEC staff.

The last session that students participated in was a student panel discussion where the ninth graders were able to ask questions to current students about their experiences at ACEC.

At the end of the day the South Piedmont Community College Coordinator Mrs. Patricia Johnson spoke with the students about what they could expect over the coming years in regards to SPCC.

Ms. Benton, teacher at ACEC, said, "We are very much a family at ACEC and this was a wonderful opportunity to welcome these students into our family." It is going to be a great year!

Anson County Early College's First Annual Leadership Workshop

Anson County Early College hosted its first annual Leadership Workshop for ACEC students on Tuesday, August 2, 2022. While at the workshop, students participated in team building exercises, learned the importance of leadership, and discovered their own leadership styles.

Students then focused on goal setting and designing steps to reach their personal goals.

Also, a topic that all students were interested in examining was using their voices to create change in their school and community.

We look forward to helping students cultivate their leadership skills and voices within the school and community in the upcoming year. Overall, the workshop was a wonderful experience for the students and staff involved.

Lilesville Elementary School is Ready for an Exciting School Year

Parents, business partners and community members play an integral role in the success of our students at Lilesville Elementary School. We are excited to continue to build relationships with all stakeholders and look forward to providing engaging learning opportunities and events for all in the upcoming school year.
