

## WES Staff are Excited About the Upcoming School Year!

Wadesboro Elementary School is excited to welcome students back for the 2022-2023 school year. We hope you had fun, relaxing summer and are ready to have a wonderful year of learning.

Pictured here are our students enjoying the end of year fun day event.

Thank you to Wadesboro Fire Department for sending WES students out with a splash for the summer!

## AES Construct Solar Ovens in Third Grade

Students in 3rd grade received science lessons on energy and how it is transferred. To demonstrate this, students created solar ovens in small groups to make s'mores.

They learned that light from the sun enters the foil-lined box. The light energy from the sun is then converted to heat energy, which melts the chocolate. The foil helps reflect light so more light energy is transferred to the s'mores. The plastic wrap helps trap the heat inside.

All groups used the same materials to construct their solar ovens, but made slight modifications based on what they thought was necessary to produce the best results. At the conclusion of the activity, students got to enjoy their s'mores.

In the photo at right AES students are shown using use heat energy to make homemade s'mores.

## Letterland Day at AES!

Kindergarten students at Ansonville Elementary School celebrated Letterland Day with their families at the end of the school year. Letterland is a phonics-based program designed to bring the alphabet to life.

We celebrated Letterland Day to recognize the hard work and achievements of our kindergarten students. Students shared their knowledge through a performance that included songs and poetry. Additionally, students displayed their artwork and participated in learning stations.

Students participated in a book tasting! Students were able to select a book of their choice, and have another student read it to them. They were also treated to a snack and a drink as they listened to their classmates read. Our students were very excited to read to each other during this special event!

AES students love to read, and paint!

## STUDENT FEE SCHEDULE • STUDENT TRANSCRIPT FEE SCHEDULE • STUDENT AFTER SCHOOL CARE FEES

Student Fee Schedule - FY 22-23			
<small>**BOE Approved 4/25/22</small>
