

Anson High School Band Program in Full Swing

Preparing for the upcoming marching season!

The Anson High School band program has been hard at work during their annual two week camp. Students have attended from 8 a.m. to 5 p.m. each day, learning the music, drill and dance for this season's show, entitled "Football Friday Night(mares)."

The students were rewarded for their hard work at the end of camp with a pizza party and water wars. Drum Major Madi Martin stated, "I love that we are able to work so hard, but have time for fun too. Things like the spirit games competition we have every day and also the new band picnic. I'm really proud to be part of the student leadership this year in band. We have an awesome band family!"

Good luck to the band for a great year!

Anson County Kindergarten Orientation

Staggered Entry 2015 - 2016

Ansonville, Lilesville, Morven, Peachland-Polkton & Wadesboro Primary Schools

Kindergarten is such an exciting year. Children have the opportunity to learn many important things, but it can be a little overwhelming at first. To ensure a successful transition into kindergarten, special small group orientation days will be scheduled the first five days of school (August 24, 25, 26, 27, and 28).

Kindergarten students will attend school on only one of the five orientation days, according to their last name. Students may ride the bus to and from school on their orientation day. Regular school hours will be observed.

During orientation Kindergarten students will become familiar with their school and start learning daily routines. Teachers will assess children's developmental readiness on a one-on-one basis. The results of this assessment will be used to help teachers better meet the instructional needs of the students during the 2015-2016 school year.
