## New Athletic Support Foundation

**Do you remember** when the football stadium was filled with excited supporters every Friday night? What about the standing room only gyms for basketball? Softball and baseball games were well attended too. Back in the day, but especially during the 1990's, that was the reality for all Anson County athletes. Today's athletes need the same encouragement and support to be successful.

That is why the newly formed Bearcat Athletic Support Foundation (BASF) is reaching out to YOU! There are no membership dues to join, and all parents, guardians or community members are encouraged to get involved. The foundation hopes to raise much needed funds to help both Anson Middle School and Anson High School Athletics.

You may ask, "Why not focus on academics?" And the answer is simple. There are many groups and organizations that focus on academics. But there are NO established organizations currently helping our student athletes. And, just like with anything, if there is no support, the programs are headed for failure.

"The BASF has several goals. We want to put pride back in our programs," said Mrs. Terry Mabry, Athletic Director at Anson High School. "The gates at our events just aren't enough to support them anymore. Let's show our athletes that we are behind them and perhaps they will become more successful, like it was in the 90's. Everyone was at the stadium and at the gym, etc. It was a time when people wanted to make a difference."

For starters, the foundation is selling placement on the athletic sign, which stands proudly in the Anson High School parking lot. They will also be selling t-shirts and various items at the games and at community events. Principals and coaches are already involved and would like to invite all elementary, middle and high school parents and guardians to help pave the way for all children.

Now take a moment and think back to the way it was. Remember the pride? Remember the excitement? Remember the look on the athletes' faces? Remember the roaring fans? Let's bring that back and more! You can begin by joining the foundation, and they will steer you in the direction you need to go - Full Steam Ahead! If you would like to join them in their quest please contact Terry Mabry at 704-475-0728.
