

Stacy Sturdivant Graduates from Nursing Assistant Program

Stacy Sturdivant of Lilesville was one of thirteen students who graduated from Northeastern Technical College's Nursing Assistant (NA) Program on July 26. The program consists of 80 hours of classroom instruction

and 40 hours of supervised clinical training and is offered by the college's division of continuing education.

Upon completion of the course, graduates acquire the academic and practical skills necessary to successfully complete the Nursing Assistant Certification Exam. This exam is required by the S.C. Department of Health and Environmental Control for employment as nurse aides and certified nursing assistants (CNA).

The CNA pathway program is offered during the day and evening every semester at Northeastern Technical College. The day class option lasts approximately eight weeks and the evening class option lasts approximately 15 weeks. Individuals with SNAP benefits qualify for 100% scholarship funding through the SNAP2Work program.

Registration for these classes is completed by filling out a continuing education registration form, and paying the tuition fee. This may be done at the office of continuing education, located in Hampton Hall on the Cheraw campus (Building 200) Monday through Thursday, from 8 a.m. to 5 p.m. and on Fridays from 8 a.m. to 1:30 p.m.

For more information about admission, or the CNA pathway call the office of Continuing Education at (843) 921-6925 or 1-800-921-7399 and choose option four (4).

Raffle for Veterans Memorial Project at Wadesboro Park

Drawing is this Saturday!!! Win a Marlin XT-17 Series rifle! Tickets are only \$5.

The Anson County Veterans Council is constructing a new Veterans Memorial to be located inside the Wadesboro City Park. The memorial will be concrete, with a granite marker that displays the emblems of the five branches of service and flags along with the American flag on a 30 foot pole. The memorial will also have the North Carolina flag and the Anson County flag on each side at 25 feet tall. The memorial will have a box for citizens to discard used American flags. Flags placed inside the box will be collected and disposed of properly.

Work is progressing, and recently sod has been added along with some shrubbery. More shrubbery will be added in the fall. The next project will be the addition of the three flag poles.

A new fundraiser has begun for this project, the raffling of a Marlin XT-17 Series rifle. Tickets are \$5 and are on sale now!
