Tank Leary's Tractor Services is Ready to Tackle the Tough Jobs

From driveways & brush to gutters & gardens, one call can take care of that to-do list!

That list of outdoor jobs has been sitting there long enough. Whether the driveway needs attention, the brush has decided to take over or the hedges are beginning to resemble a small forest, Tank Leary's Tractor Services is ready to go to work.

Tank Leary's offers an unusually wide range of services for homeowners and property owners, including driveway maintenance, pavement and patio work, garden work, lifting and hauling, lawn care, brush removal, tree and hedge trimming, lawn aeration and leaf cleanup.

And the list keeps going. Services also include gutter cleaning, pressure washing, trenching and bush hogging - which means quite a few of those jobs that are too big, too messy or simply too unpleasant to spend your Saturday doing can be handed over to somebody else.

Need something cleaned up? Hauled away? Trimmed back? Dug out? Mowed down? Tank Leary's Tractor Services can take care of it - while you enjoy the highly underrated pleasure of watching somebody else do the work.

For information or to discuss a job, call Tank Leary's Tractor Services at 704-475-7024.

National Night Out Brings Community and Law Enforcement Together on September 29

Free family event will feature food, activities, patrol cars and child safety seat checks

The Anson County Sheriff's Office and Wadesboro Police Department are inviting the community to come together for an evening of food, fun and fellowship during this year's National Night Out on Tuesday, September 29.

The free community event will be held from 6 to 9 p.m. across from the Anson County Sheriff's Office at North Washington and East Wade streets in Wadesboro.

National Night Out is centered on strengthening partnerships between law enforcement and the communities they serve, but there will be plenty of fun mixed in with that mission.

Activities will include bounce houses, face painting and a showcase of different patrol cars. Free food, drinks and snacks will also be available throughout the evening.

The Anson Partnership for Children will be on site to check or install child safety seats, giving families an opportunity to make sure their youngest passengers are riding safely.

Everyone is invited to come out, meet local law enforcement officers and enjoy a free evening with neighbors, friends and family.
