Nursing and Rehab

PERSONAL ATTENTION.
PROVEN RESULTS.®

Sarah Harris, Anson County resident and Autumn Care of Marshville Rehab patient:

Tell me why you chose Autumn Care.
I had four choices I could go to receive physical therapy. I heard really good things about Autumn Care. A nurse at my church recommended it too.

What can you say about our staff?
The staff is top-notch. I wouldn't want to go anywhere else. If I ever need a skilled facility again, I'll be back to Autumn Care.

How did Autumn Care benefit you?
When I came here I couldn't do much for myself. The therapist taught me everything I needed to get well and get home. I also didn't expect to make the lasting friendship that I have.

First Choice Medical Group Opens in Wadesboro

Medical and chiropractic care are available

Anson County has a new medical and chiropractic practice. First Choice Medical Group has opened here at 308 East Caswell Street in Wadesboro, next door to Wendy's Restaurant. They have provided quality medical and chiropractic care since 2000 in Rockingham, and this expansion into Anson County fills an important need here.

Owner Dr. Larry E. Stogner said, "Our practice has desired to expand to Wadesboro for many years, and we are excited that the opportunity finally came."

First Choice opened on August 15, welcoming patients for chiropractic care. They began providing medical care on September 15.

Chiropractic care is provided by Dr. J. Kristopher Thoman. Dr. Thoman is a Buffalo, New York native who moved to North Carolina in 2007. He graduated from New York Chiropractic College, which is located in the Finger Lake region of New York State. Dr. Thoman is married with two sons, and lives in Lumberton, NC. He is versed in a wide variety of techniques to help as many people as possible. He has worked with professional athletes, olympians, high school athletes, motor vehicle accident patients, and many more types of patients.

Hunting, fishing, sports (football, baseball, rugby, and hockey) are some of the things Dr. Thoman enjoys doing when he is outside the office. His family is spread throughout the east coast, from Tennessee to New York. He has provided chiropractic care in the First Choice Rockingham office since May 2014.

"First Choice Medical Group is proud to announce Ms. Sharon Knotts, NP, FNP as the provider for our outstanding medical care," said Dr. Stogner. An Anson County native, Ms. Knotts graduated in 2001, having over 15 years of diverse experiences, especially as a Nurse Practitioner. She has been affiliated with many hospitals including Anson Community Hospital, Carolinas Medical Center/Behavioral Health, and Carolinas Medical System-Union. Ms. Knotts has also cooperated with other doctors and physicians in medical groups including First Choice Medical Group in Rockingham.

Dr. Stogner added, "We also are proud of the support staff employed with First Choice Medical Group, and assure that you will find everyone friendly and welcoming. We are overjoyed to join your community and look forward to supplying your healthcare needs."
