One Call Could Save Your Life Savings!

Is that individual offering you an investment opportunity licensed to sell securities in North Carolina? Is the investment opportunity itself registered? Know before you sign!

While registration in and of itself is no guarantee against fraud, not being registered is a very big red warning flag.

The NC Secretary of State Securities Division urges you to take five minutes to call their NC Investor Hotline at 1-800-688-4507 to see if the person you have been dealing with – perhaps even for years – is properly registered and/or has a disciplinary history. You can also check to see if the actual investment itself is properly registered.

Pick up the phone and call them. You owe it to yourself and your family to check. And, please also consider sharing this information with your contacts or your social networks. Doing so will help keep your friends and loved ones safe, too. More information can be found at www.sosnc.gov/divisions/securities/for_investors.
