Chair Exercise Classes at the Library

Get moving... without ever having to argue with a treadmill.

The Hampton B. Allen Library invites everyone to join its weekly Chair Exercise Class every Thursday at 10:00 a.m. in the Pritchett Room.

Chair exercises are a great way to improve flexibility, balance and strength while staying comfortably seated — or standing when you feel like showing off. The class is designed for all fitness levels, so whether you're an experienced exerciser or simply looking for a gentle way to stay active, you'll fit right in.

Don't worry if you can't touch your toes. Around here, just seeing your toes counts as progress. The class is friendly, relaxed and full of encouragement, with plenty of laughs mixed in with the stretching.

Best of all, no one has to run laps, climb ropes or do pushups. The chair does most of the waiting while you do just enough moving to feel better afterward.

Everyone is welcome to attend. For more info, call the Hampton B. Allen Library at 704-694-5177.
