Home for Sale

PRICE REDUCED

Beautifully renovated stone home on 1+ acre located at 507 West Wade Street in Wadesboro

This 2 bedroom, 2 bath home has been lovingly restored with an appreciation for the fine construction details of its early 20th century heritage. Ornate original moldings are complimented by custom milled new trim. The original hardwood floors are refinished.

All mechanical systems have been replaced with modern systems - new plumbing, new electrical wiring, new heat pumps and ductwork, new roof, new insulation, new gas logs, premium appliances and new high efficiency custom windows. All materials were sourced for their quality rather than for price.

The bathrooms feature Italian tiles, frameless glass enclosures, jacuzzi bath, granite countertops and premium fixtures. The kitchen includes a breakfast nook, custom mahogany cabinetry and granite countertops. The large living room is flooded by light from a picture window and other large windows, cozy on cold winter nights with the gas log fireplace. The upstairs bedroom is huge and airy, lined with windows. It features a large walk-in closet and lots of storage. The whole home is loaded with custom items.

There are many more details that need to be seen to be appreciated in this \$160,000 \$150,000 home. Call Melanie Lyon at 704-695-2247 or send an email to melmorse@gmail.com for information or to arrange a viewing.
