Order Some Great Fruit For A Good Cause

Anson High School celebrated Homecoming all last week, culminating with the Friday night football game and presentation of the Homecoming court.

During Homecoming week students showed their spirit by dressing for a different

Tiffany Dollente and Kevin Leak

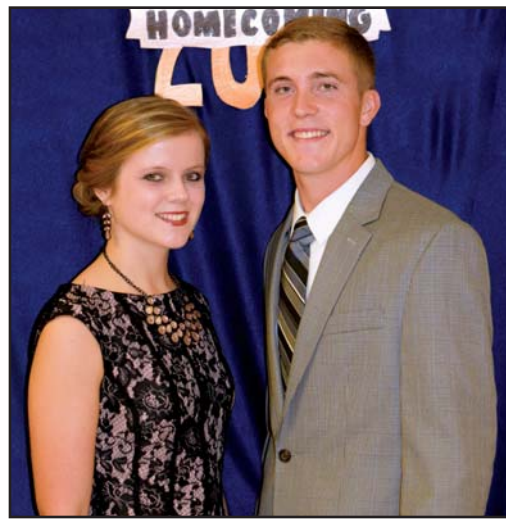

Cydney Livingston and Ben Tillman

theme each day, including 'Generation Gap,' 'Color Wars,' 'College/Career,' 'Luau,' and 'Spirit Wear.' There was a drumline performance before classes began and a Pep Rally at Peachland-Polkton Elementary School. Students ended the day Friday with an inspiring Pep Rally for students of AHS and Anson New Tech High School, which celebrated all fall sports members, the Marching Band, the majorettes and others.

For the first time there was a parade before the game led by ANTHS Robotics members, AHS clubs, and complete with members of the Anson elementary schools. The Marching Band and majorettes performed their halftime show before the game.

The Homecoming Court included Lady Tiffany Dollente and Lord Kevin Leak, Duchess Cydney Livingston and Duke Ben Tillman, Princess Kathryn McCrae and Prince Garrett Thomas, and Queen Amesha Williams and King Timothy Horne. The other court members were young ladies sponsored by the senior football players and their escorts.

**BRLC Students Make the Big Crayon**

This is a release from Burnsville Recreation & Learning Center: The Burnsville Recreation & Learning Center after school program has gotten off to a great start. The Kids Café students are getting their homework done. New teacher Ms. Katrina Watkins is taking the opportunity to do other fun and exciting things with the children after their nutritious meal and homework daily. Those who help to make all this happen are Deloris Hammond, menu planner and cook, Andrea Wall a student from Gardner Webb College, and volunteer Brenda Benton.

The students were so excited to start with the Big Crayon activity. Norah, Christopher and Mrs. Deloris were busy all week preparing for the Big Crayon Day. Noah had the job of stripping off the paper wrap around the crayons which took all week. The students anticipated making the Big Crayon on Friday. After stripping off the wrapping with the help of Christopher and Mrs. Deloris, now they had to break the crayons into small pieces. I know you are thinking now break the crayons? The end results will give great cause of breaking them.

On Friday all students were able to decide what color crayons they wanted their Big Crayon to be. After each student decided on their color they put their crayons in individual holder in a muffin pan and put the crayon into the oven. Once all the crayons melted the children were then able to put all the different colors together to make a Big Crayon. I know that you are thinking how this will make a Big Crayon. Here is the last step - after mixing all the melted crayons together, we rolled them all together and placed the Big Crayon in the freezer for almost an hour. Before the students left for the week-

end they were able to see the end results. The crayons were now a mixture of every color the students had mixed together. It wasn't just red, blue or green anymore, but it was a combination of all the colors. The after school students were so excited to see the end results and wanted to use the crayon right away.

The Big Crayon was left at the center so that all students would be able to use it once their homework assignments are completed.

**Anson Animal Shelter Needs Volunteers - Would You Like to Help?**

The Animal Shelter depends on the help of volunteers to ensure that animal residents receive love and care. More volunteers will also help relieve the workload on staff which can result in more time for resident animals to be adopted before they are euthanized (put to sleep). Please consider volunteering. For more information on helping, call 704-694-4832.

Anson County Animal Shelter is listed on [Petfinder.com](http://Petfinder.com). This is a searchable national database of pets available for adoption that includes a description and photo. All the animals that are up for adoption are listed and have a picture. Just go to [Petfinder.com](http://Petfinder.com) and search for any Anson County town or zip code.

A rescue from Animal Shelter can bring lots of happiness and love into any home...and you will make the animal happy too! It's a win-win.

**And remember, older animals need a home and love too!**
