**Re-Elect Bobby Sikes Anson County Commissioner District #1**

- A lifelong resident of Ansonville
- 78 Years old
- Been married 59 years
- Have 9 grandchildren and 2 great grandchildren
- Served 37 Years on Ansonville Fire and Rescue
- Been a farmer all my life

When I became a commissioner in 2004, Anson County had less than \$500,000 in the account. I am not taking credit for the change; it came about with the help of the County Managers that we hired. First was Andy Lucas then Vance Gullledge, Lawrence Gatewood, Anna Baucom, and now Barron Monroe. While I have served on the Board of Commissioners, Anson County has purchased and renovated the BC Moore building centralizing County Offices, making it easier for the citizens to handle their business. We remodeled the Court House and Belk Building. Built a new 911/EMS building and currently planning to build a new DSS building and middle school (which has 20 million in grant funding). We have many businesses who wanted to come to the county, but could not find the people they needed to do their work. Our Family Farm has spent millions of dollars in Anson County on equipment, feed, gear, oil and tires. If it is sold in Anson County, we buy it. My share of taxes is more than the county pays me to be a commissioner. I am humbled and grateful to serve the citizens of Anson County.
