## Morven Students Learn Lots at Morven VFD Visit

On Friday, October 19 Head Start through second grade classes at Morven Elementary School were given a demonstration by the Morven Fire Department. The children were very amazed at how high water can spray and how fast it can be sprayed. They also saw first hand how to fill up a tanker from a fire hydrant...and the really cool part, how loud a fire truck can get! After the demonstration the children were treated to ice cream from the staff at the Morven Town Hall. The children enjoyed it so much that they sent thank you cards to the fire department.

Participating classes were Head Start (Pettiford/Johnson/Taylor and Gerald/Cash/Johnson), Kindergarten (Razter/Short), K-1st (Blackwell) 1st grade (White) and 2nd grade (Corbett and Swearengin).
