

## Harvest Ministries "Re" Grand Opening Draws Large Crowd

On Saturday, October 6th, Harvest Ministries Outreach Center held a "RE" Grand Opening in the parking lot of its facility. This celebration was held after HMOC was displaced for 6 weeks due to the massive sinkhole located at the entrance near highway 74 in Wadesboro.

The event, which featured bounce house, horses and pony rides, a dunking booth, free food, games, and give-aways, attracted hundreds of people. Several lucky attendants left with big prizes such as a notebook computer, \$200 in cash, Carolina Panthers tickets, brand new bicycles and more. Children were especially excited to meet Elmo and Dora the Explorer.

Lead Pastor Steve Adams shared, "As I have said before, HMOC exists for all people, and it is our desire to be a hand extended for not only spiritual areas, but practical and life essentials as well. This day is simply a reminder to this community that we are still here, we are still focused on offering the love of Christ through serving others and being active in the lives of the great people of Anson County."

The day concluded with roughly 75 people dedicating or recommitting their lives to a relationship with Jesus Christ. Adams concluded, "Many people are hurting, many people have needs - pointing people to the hope that only comes from Christ."

## Lilesville Elementary School Uniform Swap - People Helping People

The Lilesville Elementary School Staff and PTO Council recently hosted a "Uniform Swap" to assist students with meeting the expectations of the Anson County Schools Student Dress Code Policy. Parents and guardians were given the opportunity to bring in clean, gently used uniform items, that their children had outgrown, and "swap" them for other items they could use currently. An assortment of solid colored coats, belts, pants, and collared shirts were available in all sizes.

The idea proved to be successful, as many families took part
