HOPE 5K, Running for a Cause

On Saturday, November 1st HOPE Pregnancy Resource Center held their Every Life Matters 5K, starting from the Polkman Fire Department. Although the morning was rainy, 70 determined participants - 47 runners and over 20 volunteers - showed up for a morning of fun in support of HOPE's mission.

While waiting for the race start, standing in the rain, the group came up with a consensus opinion, "Every life must matter for over 70 people to show up in the cold rain!"

The first runners crossing the finish line were:
Female - 1st place Sierra Wallace; 2nd place Mirandi Chewning; and 3rd place Meredith Glenn.
Male - 1st place Robbie Lear; 2nd place Mason Smith; and 3rd place Daniel Landon.

HOPE Pregnancy Resource Center Executive Director Kathy Landon said, "HOPE is an interdenominational ministry offering hope to women in crisis. We offer free limited ultrasounds, pregnancy tests and parenting and peer counseling. We also offer classes to our clients who take these classes." You can contact HOPE by calling or texting (704) 690-6689.

Notice of Leaf Collection by Town of Wadesboro

Fall has arrived and the leaves are falling. Leaf collection has begun by the Town of Wadesboro. The leaf collection equipment will only pick up leaves and pine straw. Please do not mix limbs, bricks, rocks, building debris, or anything else in with the leaves. Employees can be seriously hurt and equipment severely damaged by foreign objects with the leaves. Your help with this problem will help the Town of Wadesboro promptly collect debris, limbs, and other debris by keeping them separated. The Town of Wadesboro collects leaves by following current garbage routes. Please be patient, as it takes approximately two weeks to pick-up the entire town once. As the leaves fall in larger quantities it will take longer to complete the routes.

This is College Application Week

Anson High School, Anson Early College, Anson New Tech and Anson Academy will participate in the state-wide College Application Week cosponsored by College Foundation of North Carolina (CFNC) and the Carolinas Association of Collegiate Registrars and Officers (CACRAO) during this week of November 10-14, 2014. As a part of the CFNC-CACRAO college access initiative, high schools will work with seniors during this week to complete and submit online at least one college application each using the career and college information and planning site, CFNC.org. Students are encouraged to begin looking at applications in CFNC.org for schools they are interested in applying to as there may be essay questions they need time to work on. For more information about events at your school, please contact your school counselor.
