I Saw Someone Typing Santa Letters By Melanie Lyon

(To the tune of I Saw Mommy Kissing Santa Claus)

I saw someone typing Santa letters – last night just before I fell asleep
He didn't hear me creep down the stairs to take a peep
He thought that I was working on my article for this week

Oh, I saw someone typing Santa letters – till the wee hours of this morn
He said he had to type with all his strength and might
They had to get to Santa for the kids, their heart's delight!

And, I saw someone typing Santa letters – sitting in that chair so snugly warm
Oh what a shame it would have been – if no one had sent them in
To Santa for the school kids of Anson

I saw someone typing Santa letters – it must have taken lots and lots of time
But every now and then – I'd see a great big grin
And hear such joyous laughter, no he couldn't hold it in!

So kids don't worry, don't you fret or fear
Your letter will reach Santa for sure this year
Cause Allen stayed up all night – he wanted to make it right
For each and every one on Christmas Eve night

Merry Christmas and Happy New Year from all of us at The Express Newspaper
We "expressly" wish you good tidings of great joy!
