I am so excited to open my Christmas presents from you, but know that the true meaning of Christmas is celebrating Jesus' birthday. How are your reindeer doing? My favorite reindeers Donner. How is your wife, Mrs. Claus? was wondering how many elves you had at the North Pole workshop? I bet there are many elves, to make so many presents. Every Christmas morning, I wake up to several presents under the Christmas tree. I want to thank you and your elves for making and delivering the wonderful presents you give to me every Christmas Day. I love playing with my toys you give, such as a bike, an electric scooter, and so many more. I have been a good girl this year. I have gotten A's on an of my math tests and have been following expectations. Another question I have show do you deliver presents to people who don't have a chimney? Do you use your magic powers?
